

## Product Data Sheet

Item Number: AWRB150HS

Item Name: White Oil-Only Heavy Weight Sonic-Bonded Roll

SonicBonded Mat Roll controls spills and overspray to help keep floors dry and safe.

- **Fast-Acting for Quick Response:** A layer of MeltBlown polypropylene creates high surface area that enables SonicBonded Mat to quickly soak up liquids on contact.
- **High Absorbency Keeps It on the Job Longer:** A random assembly of large-diameter MeltBlown poly fibers creates a lofty layer. Mat absorbs high volumes of liquid fast. Great for catching overspray or soaking up spills.
- **Ultrasonic Bond Points Keep Mat Intact:** Ultrasonic bond points fuse layers of fibers together — Mat keeps its shape even when completely saturated. Top layer of lint-free SpunBond fabric provides extra strength. "Dimples" add fast-wicking power.
- **Perforations Save Money:** SpunBond top layer allows for better-defined perforations and cleaner, easier tear-offs. Roll is perfed every 7.5" vertically and 17" horizontally.
- **Color-Coded:** Color-coding helps you visually identify the right sorbent for your needs. Bright white designates Oil-Only sorbency for oil and other petroleum-based fluids — but not water; makes it easy to identify when saturated.
